# ROHIT RAWAT

**Software Engineer (Portfolio)**

+91-9625220647 | rohitrawatsde@gmail.com | Noida - India | Linkedin | Github | Leetcode

## EXPERIENCE

### Software Developer

**TechPro CompSoft**

**Jan 2026 – Now** | **Noida, India**

- Software Developer with 8+ months experience in C#, ASP.NET Core, .NET 8, JavaScript, React JS, SQL Server, and Restful APIs. Involved in designing, developing, enhancing, and maintaining enterprise applications across Mortgage.
- Contributed to Home Mortgage applications across the loan life-cycle, including Loan Application Dashboard, Underwriting, Credit Review, Builder Connect, Mortgage Insurance. Developed and maintained Restful APIs using C# and ASP.NET Core, supporting mortgage business workflows and third-party vendor integrations.
- Resolved critical production issues and security vulnerabilities, implemented enterprise-grade security controls including security logging, rate limiting, security remediation, Azure Key Vault integration, Reference Based Role Authorization enhancements, secure secret management, and participated in the migration of applications from .NET Core 3.1 to .NET 8.
- Supported and enhanced an existing Undisclosed Debt Monitoring System integrated with two external vendors. Contributed to onboarding additional vendors through vendor-specific data mapping, XML transformation and integration. Worked with MISMO-aligned XML structures and SOAP-based web services for standardized data exchange. Assisted in integration testing, data validation, troubleshooting and maintenance of vendor integrations.
- Collaborated with team, participating in sprint planning, daily stand-ups, code reviews.

### Software Consultant

**Snap-on Business Solutions**

**Nov 2021 – Dec 2025** | **Noida, India**

- Software Developer with 4+ years of experience in C#, ASP.NET Core, JavaScript, React JS, Bootstrap, and SQL Server, building and maintaining OEM parts catalog data publishing applications and Warranty Management System.
- Contributed to the development and enhancement of OEM Warranty and Parts Catalog Publishing applications within the CONAG Team, Developed responsive user interfaces using JavaScript and RESTful APIs using C# and ASP.NET for Warranty Claim Management, Claim Review  Approval Workflows, Dealer and Admin Portals and Ticket Support System.
- - Implemented Admin Access Management System (AAMS) enterprise security controls, including secure secret management, audit logging, security headers, CSRF, XSRF, Input Sanitization, SQL Injection, account lockout policies and cookie consent management. Identified and remediated application vulnerabilities through Mend (WhiteSource) scans and security assessments, strengthening application security and compliance.
- Collaborated in Agile teams, participating in sprint planning, stand-ups, Technical Calls, code reviews, and cross board sprint delivery activities.

## EDUCATION

### B.Tech. (Computer Science)

**Mahatma Gandhi Mission College of Engineering and Technology**

2017 – 2021 | Noida, Uttar Pradesh

### Higher Secondary

**Shaiffali Public School**

2017 | Dadri, Uttar Pradesh

### Secondary

**Shaiffali Public School**

2014 | Dadri, Uttar Pradesh

## TECHNICAL SKILLS

- **Programming Languages**
  - HTML5, CSS3, JavaScript, C#
  - SQL (MS-SQL), Redis, Signal R
- **Frameworks & Libraries**
  - .Net 6/8/10, Web API (REST API, SOAP )
  - EF Core, Dapper, Auto Mapper, Mapperly
  - Fluent API, Serilog, Kibana
  - Lucene, Elastic Search
  - React JS, Redux Toolkit
  - UI frameworks: Bootstrap 5, Tailwind CSS
- **Version Control and Testing**
  - Git, GitHub, Postman, Swagger
  - Agile tools: JIRA, ServiceNow
  - MS TEST, X Unit, MOQ, N Substitute
  - Azure Board and Repos, Azure Artifacts
- **Other Tools**
  - Visual Studio Enterprise, VS Code
  - AWS Cloud Watch, S3 Bucket, Visualcron
  - Azure Services, Azure Key Vault
  - Hashicorp Vault, KeePass

## AI TOOLS & SKILLS

- **AI Assistants & LLM Platforms:** - Claude, Copilot, Ollama, Devin AI
- **AI Automation & Workflow Tools:** - N8N, Postman AI

## CERTIFICATIONS

- Meta Front-End Developer: React Course (**Coursera**) (Certificate)
- Azure DevOps Certification (Certificate)
